There were no further information available in regards to waste/recycling material on a public side road in Rhosygell. The Clerk to make further contact with Ceredigion County Council.

Information was received regarding problems with waste collections throughout the County in that the Council operates the service with an ageing fleet and if there are problems with breakdowns the County Council concentrate on collecting residual waste and food waste primarily then lastly the dry recycling material. The installation of signs within the area would be a good idea;

To opt for the sign layout noted under option 2 but suggesting two logos on either side of the sign, rather than 1 as noted in the example;

That the best location for the sign within Devil's Bridge would be on the village sign on the A4120 from the direction of Aberystwyth.
